	A Fannie Mae DU must be run on all files with an Approve/Ineligible decision. "Approve/Ineligible"	
	findings would be the result of any of the following: loan amount, LTV, cash out amounts allowable in	
AUS	accordance with these jumbo underwriting guidelines, and cash-out amounts resulting from non-	
	purchase money second lien payoffs as a rate and term refinance. Full documentation is required. May	
	not follow DU documentation waivers.	
	US Citizens	
	Permanent Resident Alien	
	Non-Permanent Resident Alien	
	- H1B and L1 Visas only.	
Eligible Borrowers	- Maximum 70% LTV/CLTV	
	- Maximum 38% DTI	
	- Primary residence only	
	- Valid Social Security number	
	- 2 full, uninterrupted years of employment in the United States	
	Non-occupying co-borrower is not permitted	
	LLC's, Corporations and partnerships	
Ineligible Borrowers	Foreign Nationals	
	Non-Revocable Trusts	
	Life Estates	
	A minimum of 2 credit scores for all borrowers is required. The lowest mid-score will be used. If a	
	borrower only has 2 scores, the lower of the two will be used.	
	Rescored credit reports are ineligible.	
	Minimum Tradeline Requirements:	
	Minimum of three (3) open and active tradelines from traditional sources are required.	
	► One (1) tradeline must be open for twenty-four (24) months and active with the most	
	recent six (6) months.	
	► Two (2) of the tradelines must show activity within the last (12) months and active within	
	the most recent six (6) months	
	OR	
Credit Report	Minimum two (2) tradelines are acceptable if the borrower has a satisfactory mortgage rating for at	
	least twelve (12) months (opened or closed) within the last twenty-four (24) months and one (1)	
	additional open tradeline.	
	Each borrower contributing income for qualifying must meet the minimum tradeline requirements;	
	however, borrowers not contributing income for qualifying purposes are not subject to minimum	
	tradeline requirements.	
	Authorized user accounts are not allowed as an acceptable tradeline.	
	Non-traditional credit is not allowed as an acceptable tradeline.	
	Tradelines for closed accounts must have a satisfactory payment history	
	A Tradeline for which a payment has never been made may not be used to satisfy the minimum	
	tradeline requirement.	
Frozen Credit	Credit reports with bureaus identified as "frozen" are required to be unfrozen and a current credit	
	report with all bureaus unfrozen is required.	
	Mortgage/Rental History:	
Housing Payment	Borrower(s) housing payment history in past 24 months must 0 X 30	
History	Rental History:	
,	First time homebuyers must have a minimum 24 mos rental history for at least 1 borrower	
	If renting from a private landlord, cancelled checks must be provided.	
	Satisfactory explanation for any delinquent credit which occurred in the previous 12 months is	
	required.	
	Forbearance:	
	• A forbearance that results in a loan modification (moving payments to the end of the mortgage) is a	
	credit event and will be considered "due to hardship."	
Significant	• Allowable six months after the end of the forbearance period, and only if the borrower made all the	
Derogatory Credit	monthly payments during forbearance and did not utilize the forbearance terms to skip or miss any	
, ,	payments.	
	Waiting periods for significant derogatory credit:	
	Chapter 7, 11 or 13 Bankruptcy = 7 years since discharge     Forcelesure, Netice of Default (NOD) and short sale = 7 years since completion date.	
	• Foreclosure, Notice of Default (NOD) and short sale = 7 years since completion date	
	Short payoffs, loan modifications due to hardship = 7 years     Multiple events are not permitted.	
	I - MARINING OVERTY STO DAY DOLLMITTED	

• Multiple events are not permitted

**Properties** 

## **Neptune Platinum Jumbo**

#### Re-established Credit Requirements: • The waiting period requirements must be met. Borrower must show reestablished credit to meet the minimum credit requirements. Non-traditional credit is not permitted. Collections, Charge-offs and past due accounts: • All past due accounts must be brought current. All Tax liens, judgments, collections, charge-offs and past due accounts must be satisfied or brought **Significant** current. Cash-out proceeds from the transaction may not be used. **Derogatory Credit** • Medical collections allowed to remain outstanding if the balance is than \$10,000 in aggregate. • Liens impacting title must be satisfied prior to closing. Payment plans on tax liens/liabilities are not permitted **Disputed Tradelines:** • All disputed accounts should be handled in line with Agency guidelines. All disputed accounts that belong to the borrower must be taken into consideration. • Disputed accounts with a zero balance and no late payments may be disregarded. **Installment Debt:** • Installment debt, including car lease payments, must be included in the qualifying ratio regardless of • Installment debts lasting ten (10) months or more must be included in the DTI. Student Loans: If a monthly payment is provided on the credit report, the amount indicated for the monthly payment may be used to qualify • If the credit report does not provide a monthly payment or shows \$0: ▶ Use 1% of the outstanding loan balance, or ▶ Use fully amortizing payment based on documented repayment terms. 30 Day Open Accounts: • If the credit report reflects an open-end of net thirty (30) day account, the balance owing must be subtracted from liquid assets. Liabilities **Debts Paid by Business:** • Account may have no history of delinquency • Evidence the obligation was paid out of company or business funds. • Not permitted for schedule -C self-employment. Tax returns or cash flow analysis to reflect the business making said payment. Paying off Debt: • Installment and revolving debts may be paid off in order to qualify. Evidence the account has been paid in full. • Source of funds to pay off the debt must be documented. • Lease payments may not be paid down or paid off for qualifying purposes. · Revolving debt must be documented as paid in full and account closed in order for the monthly obligation to be removed from the qualifying DTI. Alimony / Child Support: Alimony and Child Support are to be treated as a liability • Primary residence only. Maximum LTV/CLTV 80% • 36% maximum DTI. 720 minimum FICO. • Minimum 18 months' reserves **First Time** • 24 months rental history with no late payments. Homebuyer One-unit properties only. Loan amounts exceeding \$1,000,000 are ineligible. Gift funds not permitted Any borrower who has not owned a residential property during the prior 3 years is considered a First Time Homebuyer. This does not apply when at least 1 borrower has owned a property within the past • Borrowers may own a total of four (4) financed 1-4 unit residential properties including the subject **Multiple Owned**

• Borrowers with other properties in addition to the subject property are required to have an

additional six months reserves for each property, based on the individual properties PITIA.Properties owned free and clear require 6 mos of taxes, ins. and HOA dues for reserves.

	Borrower must have a minimum of 5% contribution from their own funds.			
	<ul> <li>Gift funds are not eligible to be used</li> </ul>	for reserves		
	Not permitted on LTV's > 80%			
	Single Family, Primary residence, Pu	chase only

WHOLESA a dilation of servitions, (LC	1 (Cptune 1 launum Junio)		
	Retirement accounts are an eligible source of funds for closing, down payment and reserves. When		
	accessing retirement funds for assets to close, evidence of liquidation and reduction of any applicable		
	penalties must be fully documented.		
	<ul> <li>Any existing loans secured by a retirement asset must be deducted from the discounted value of the</li> </ul>		
Retirement Accounts			
Retirement Accounts	<ul> <li>If using funds from a retirement account for reserves, a discounted value of 60% of the vested</li> </ul>		
	balance must be used for qualifying based on market volatility.		
	Terms of withdrawal from the account program administrator should be provided when using the		
	account for reserves.		
	All Verbal VOE's must be within 10 business days of the Note date.		
Employment	Verification of borrower's self-employment no later than 20 calendar days prior to Note d		
	Tax transcripts are required on all loans regardless of income/employment type.		
Tax Transcripts	Borrower pulled transcripts are not acceptable.		
	A stable two (2) year history of verifiable income must be documented		
	Employment gaps of more than 30 days within the most recent two (2) year period require a		
	satisfactory letter of explanation and borrower must be employed with current employer for a		
	minimum of six (6) months		
Employment	• Extended gaps of six (6) months or greater require a documented two (2) year work history prior to		
	the absence and they have been in their current employment for a minimum of six months.		
	Part-time income can be used for qualification if the borrower has worked the part-time		
	job uninterrupted for the past two (2) years		
	Future/project income is not eligible		
	Salaried:		
	Paystubs covering the most 30 days with year to date income. (Must be computer generated.)		
	• 2 years W2's		
	Commission: (A borrower who receives 25% or more from commissions must have a minimum 2 year		
	history of commission earnings and at least 18 months with current employer.)		
	• 2 years 1040's and W2's		
	Current year-to-date paystub		
	Overtime & Bonus:		
	Overtime and bonus income can be used to qualify the borrower if he/she has received this income		
	for the past two years, and documentation submitted for the loan does not indicate this income will		
	likely cease.		
	The Seller must establish and document an earnings trend for overtime and bonus income. If either		
	type of income shows a continual decline, the Seller must document in writing a sound rationalization		
	for including the income when qualifying the borrower		
	Social Security:		
	Social Security income must be verified by a Social Security Administration benefit verification		
	letter. Benefits must not expire within the first three (3) years of the loan.		
Income	(If the Social Security Admin benefit letter does not indicate a defined expiration date within three		
	years of loan origination, the income should be considered likely to continue)		
	Copies of the most recent two (2) months bank statements evidencing regular deposit.		
	Self-employment: Income from self-employment is considered stable, and effective, if the borrower		
	has been self-employed for two or more years		
	Most recent 2 years, signed and dated, personal returns		
	Evidence the business is currently operating within 20 days of the Note date is required.		
	Third-party verification evidencing borrower's business is currently operating includes:		
	► Evidence of current work (executed contracts or signed invoices that indicate the		
	business is operating on the day the lender verifies self-employment).		
	► Evidence of current business receipts within 10 days of the Note date (payment for		
	services performed);		
	1		

appointments for estimates or service can be scheduled) or

information and is ineligible when provided by the borrower(s).

▶ Lender certification the business is open and operating. If the lender opts to provide a

certification must be provided by an arm's length third-party source, must include contact

lender certification (lender confirmed through a phone call or other means); the

- "S" corporation, or partnership, signed copies of Federal business income tax returns for the last two years, with all applicable tax schedules; and
- Year-to-date profit and loss (P&L) statement and balance sheet. Income cannot decline by 20% or more from the prior tax period.
- The lender must review the two most recent business bank statements to support and/or not conflict with the information presented in the current year-to-date P&L. Otherwise, the lender must obtain additional documentation to support the current P&L.

### NOTE: Documentation is required regardless of whether the income us being considered for qualifying purposes.

- ▶ If the borrower's earnings trend for the previous two years is downward and the most recent tax return or P&L is less than the prior year's tax return, the borrower's most recent year's tax return or P&L must be used to calculate his/her income.
- ▶ The Seller must consider the business's financial strength by examining annual earnings. Annual earnings that are stable or increasing are acceptable, while businesses that show a significant decline in income over the analysis period are not acceptable

#### **Employed by family business:**

- YTD Paystub
- Two (2) years W-2's and
- Personal tax returns two (2) years with two (2) years transcripts
- Verification of borrower's potential ownership in the business must be addressed.

(Income must be amortized over 24 months.)

#### Alimony / Child Support:

- Div. decree or court ordered separation agreement. Income to continue for at least (3) yrs
- Evidence of receipt of full, regular and timely payments for the most recent twelve (12) mos

#### Trust Income:

#### Income

- Irrevocable Trust Income
  - Guaranteed and regular payments must be documented to continue for the next three (3) years
  - Regular receipt of trust income for the most recent twelve (12) months must be documented
- Copy of the trust agreement or trustee statement showing:
  - Evidence that the trust is irrevocable
  - Terms of payment and Duration of trust
  - Total amount of borrower designated funds
- If trust assets are being used for down payment or closing costs, the file must contain documentation to indicate the withdrawal of the assets will not negatively affect income

#### Retirement

- If any retirement income will cease within the first three (3) years of the loan, the income may not be used
- Distribution income must have been set up at least six (6) months prior to the Note date.
- Distributions cannot be set up or changed solely for loan qualification purposes.
- Distribution of assets from an IRA, 401k or similar retirement asset must be sufficient to continue for a minimum of three (3) years. 70% of the value of the account(s) is to be used
  - A letter from the Account Custodian confirming the amount, frequency and start date of the distribution is required.
  - Evidence of receipt of 2 months receipt is required.
- Document regular and continued receipt of income as verified by any of the following:
  - Letters from the organizations providing the income
  - Copies of retirement award letters
  - Copies of federal income tax returns signed and dated
  - Most recent IRS W-2 or 1099 forms
- Copies of the most recent two (2) months bank statements evidencing regular deposit.

#### **Rental Income:**

- Current leases are required for all properties where rental income is being used to qualify.
- Two (2) years' 1040's with Schedule E's required. (One-year tax returns with schedule E will be considered when rental history is less than 24-months) **AND**
- Properties with expired leases that have converted to month to month per the terms of the lease will require bank statements for the lesser of 12 months or the time period after the lease expired.
- Income from short-term rentals or e-commerce rental properties (e.g. Airbnb) is ineligible.
- Commercial properties owned on schedule E must be documented with commercial leases and evidence that the primary use and zoning of the property is commercial.

#### Rental Income from Departing Primary Residence:

If the borrower is converting their current primary residence to a rental property and using rental income to qualify or offset the payment, the following requirements must be met:

- Copy of current executed 12 month lease agreement to an unrelated arm's length third party and must be effective as of the first payment due date of the subject mortgage loan.
- Copy of security deposit and evidence of deposit to borrower's account
- Six (6) months reserves must be documented in addition to the req'd reserves for the primary
- Have sufficient equity in the vacated property. Borrower must have a LTV ratio of 75% or less, as determined by:
  - ▶ as determined either by a current (no more than six months old) Residential Appraisal (for Single-Family units on form Fannie Mae 1004/Freddie Mac 70 or for Condominium units on form Fannie Mae 1073/Freddie Mac 465).

#### Income

#### **Dividends and Interest Income:**

- Verify the borrower's current ownership of the assets on which the interest or dividend income was earned.
- Document a 2 year history of income with two (2) years Personal Tax returns with two (2) years tax transcripts.
- Subtract any assets used for down payment or closing costs from the borrower's total assets before calculating expected future interest or dividend income.

#### **Asset Depletion:**

- Eligible assets must be held in US account.
- Business funds are not allowed for income calculation.
- Calculate the depletion of assets using a 3% rate of return over the life of

the loan; the same as calculating a P & I payment for a mortgage.

- ► For borrowers < 59 ½, all post-closing liquid (non-retirement) assets can be included in the calculation. Minimum liquid postclosing assets of \$500,000 required to include asset depletion for qualifying income.
- ► For borrowers > 59 1/2, all post-closing retirement and liquid assets may be used in the calculation if the assets are fully vested and unrestricted.

#### • Eligible Types of assets:

- ▶ Liquid assets include Checking, Savings, Money Market, Certificates of Deposit, Publicly traded stocks, bonds and mutual funds (non-retirement).
- ▶ Retirement accounts including 401(k), 403(B), IRA (SEP, Simple, Roth or traditional.

### Properties Listed for Sale

- Properties listed for sale at time of application are not eligible for refinance transactions
- Properties listed for sale within past 6 months are not eligible for refinance
- Properties listed for sale within past 12 months are not eligible for cash-out refinance

Title to the subject property must be in the borrower's name at the time of application for a refinance transaction. Must meet continuity of obligation.

#### **Continuity Of Obligation:**

- At least one borrower on the new loan must also be obligated on the current lien; or
- Borrower has been on title to the subject property for the previous 12 months; occupied the subject property for the previous 12 months; and can demonstrate having made the payments in the previous 12 months.

#### Refinances

#### **Exceptions:**

- The borrower on the new refinance was added to title at least twenty-four (24) months prior to the disbursement date of the new transaction
- The borrower on the refinance inherited or was legally awarded the property by a court as in the case of a divorce, separation or dissolution of a domestic partnership. Rate & term only.

#### Value:

• When the subject property has been purchased in the past 12 months, the lesser of the current appraised value or the purchase price will be used to calculate the LTV/HCLTV. Ownership date is measured from the date of acquisition (or HUD or Closing Disclosure closing date) to the application date of the subject mortgage.

#### Rate & Term Refinances:

- A minimum of 6 months seasoning is required if the previous mortgage was a cash-out refinance
- Paying off a mortgage loan secured by the subject property.
- Paying off a first lien and purchase money subordinate lien (Seller must document that the entire subordinate lien was used to purchase the property). Pay off of a purchase second lien that has been in place for twelve (12) months.
- Paying off a seasoned non-purchase money subordinate lien or first lien HELOC.

#### Refinances

- ▶ A seasoned non-purchase money subordinate lien or first lien HELOC is a mortgage that has been in place for a minimum of 12 months. Seasoning is based on the note date of the second lien to the application date of the subject Mortgage Loan. A seasoned equity line of credit is defined as not having cumulative draws greater than \$2,000 in the past 12 months.
- Maximum cash back at closing is limited to 1% of the new loan amount

#### Cash-Out Refinances:

- Borrower must have taken title to the property more than 180 days from the Note date
- Maximum cash back at closing is limited to \$500,000
- Maximum cash-out amount includes the payoff of all debt and any cash in hand.
- Properties listed within the past 6-12 months from the application date require a letter from the borrower explaining the reason for keeping the property.
- Properties located in Texas are not eligible

Appraisal requirements based on loan amount:				
First Lien Amount	Appraisal Requirements			
Purchase Transactions				
≤ \$2,000,000	1 Full Appraisal			
> \$2,000,000	2 Full Appraisals			
Refinance Transactions				
≤ \$1,500,000	1 Full Appraisal			
> \$1,500,000	2 Full Appraisals			

### Appraisal Requirements

#### When two (2) appraisals are required, the following applies:

- Appraisals must be completed by two (2) independent companies.
- The LTV will be determined by the lower of the two (2) appraised values if the lower appraisal supports the value conclusion.
- Both appraisal reports must be reviewed and address any inconsistencies between the two (2) reports and all discrepancies must be reconciled
- If the two (2) appraisals are done "subject to" and 1004Ds are required, it is allowable to provide one (1) 1004D. If only one (1) 1004D is provided, it should be for the appraisal that the value of the transaction is being based upon.
- All appraisals must be prepared for EMM. No transfers or assignments are permitted.
- Reduce maximum allowable LTV/CLTV by 5.0% for any property located in area of declining property values as reported by appraiser or the review appraisal.

A Collateral Desktop Analysis (CDA) with accompanying MLS sheets ordered from Clear Capital is required to support the value of the appraisal on all loans. (See separate instructions on how to order a Clear Capital CDA.

- If two (2) full appraisals are provided, a CDA is not required.
- If the CDA is ≤ 10% of the appraised value the LTV would be based on the original appraised value.

### Appraisal Review Requirements

• If the CDA is "indeterminate" or is lower by > 10% of the appraised value the LTV than a third valuation report must be ordered.

#### Third Valuation (if applicable):

- A Clear Capital BPO or Consolidated Analytics BPO (Broker Price Opinion) and a Clear Capital Value Reconciliation or a Consolidated Analytics Value Reconciliation of three Reports is required
  - Field Review or second full appraisal.
- For ARMs, a mandatory Field Review is required when CDA/CCA value variance is between 5% -10% and transaction LTV is between 75% and 80%
